Indicated that last month the Space Planner was approved and she referred to Allan Kleiman who said he came and now has a sense of the space. One of the things he would like is to meet with either the entire Board (which would be for approximately ½ to 1 hour at a board meeting, or with the Buildings & Grounds Committee. Mr. Kleiman will have more information by next month.

**B. Finance - Thomas Mazzaccaro**

For the record, Thomas Mazzaccaro said he reviewed the checks and all signatures are in order.

**C. Personnel - Donald Kostka**

Absent - No Report

**D. Patron Services - Peter King**

At the last meeting, Dr. Shashi Jain came forward with suggestions for activities, and it was suggested that they meet. Peter said they are planning a meeting next week. He would also like to have a one-page flyer for suggestions for the patrons to see what they would like to have available.

Robert Lefkowitz questioned the sign the Library has - "Older Adults" - and asked if this is allowed? Allan Kleiman said this is allowed because it means adults rather than high school seniors. Since May is Older Americans Month, this is oriented towards Senior Citizens. The classes being offered are very basic computer classes geared at "older adults". Thomas Mazzaccaro asked if anyone has requested classes for iPad instruction. Allan said they do plan to obtain Apple products and will be offering classes.

**E. Technology - Robert Lefkowitz**

No Report

**IX. Library Director's Report - Allan Kleiman**

Allan said the Library did not have volunteers for the Trustee Institute on June 2. He feels this event provides a lot of material and asked the Board to consider going.

Last year, the Library closed during the 4<sup>th</sup> of July festivities. This year's event begins on June 28 (Thursday) with a carnival and concert. They would like to set the dates of when the Library will close and he will check to see if it's needed to close on Thursday as well. Howard Chesler asked if we would be open on the Sunday after the holiday. Allan confirmed they were open last year. The high school principal will also be contacting him regarding parking issues during the school graduations (high school and Lazar).

Robert Lefkowitz asked for an update on the Librarian situation. He also asked about Cablevision and VOIP. Allan said they have not heard from Cablevision. However, he spoke to someone from Comcast who said they do exactly the same thing Cablevision does. Allan will continue to look into this.

**X. Resolutions/Motions**

- A. Resolution to accept the check register dated April 1 - 30, 2012 in the amount of \$42,145.06. Thomas Mazzaccaro made a motion, seconded by Lisa LoBiondo. Vote: All in favor

- D. Resolution to promote Risa Skerker, part-time Librarian to full-time Librarian, effective May 21, 2012. Howard Chesler made a motion seconded by Peter King. Lisa LoBiondo asked if this is promotion fills one of the recent vacancies. Allan said yes, she is filling one of the two full-time spots that were available. When asked if this position was advertised, Allen continued by saying there is no need to advertise this position because she is already a permanent employee and is only moving from part time to full time. She was originally hired as a Children's Librarian and she will now be the full-time Children's

Librarian. He said the Library is now short one full-time and several part-time employees. Robert Lefkowitz asked how many employees there currently are in the Children's and Reference Departments and was told there are two full-time and three part time librarians, and four part-time library assistants; all of which manage both desks. Allan said the Library previously lost one part-time and two full time librarians. A part-time librarian is needed because the contract will not permit full time librarians to work on Sundays.

Thomas Mazzaccaro asked if moving her from part-time to full-time was a better option than looking to the outside. Allan answered by saying she is qualified, she gets along well with the rest of the staff and handles the programming well. She is an excellent employee. She has two years of experience here and he recommends hiring her full time.  
Vote: All in favor

Allan said he has not had a chance to review what was given to him, but he will review the material and make recommendations at the next meeting.

#### **XII. New Business**
